

§ 1952.156

administrative practicability Federal jurisdiction may be assumed over the entire project or facility. In any of the aforementioned circumstances, Federal enforcement authority may be exercised after consultation with the State designated agency.

(c) Federal authority under provisions of the Act not listed in section 18(e) is unaffected by final approval of the North Carolina State plan. Thus, for example, the Assistant Secretary retains his authority under section 11(c) of the Act with regard to complaints alleging discrimination against employees because of the exercise of any right afforded to the employee by the Act, although such complaints may be referred to the State for investigation. The Assistant Secretary also retains his authority under section 6 of the Act to promulgate, modify or revoke occupational safety and health standards which address the working conditions of all employees, including those in States which have received an affirmative 18(e) determination, although such standards may not be Federally applied. In the event that the State's 18(e) status is subsequently withdrawn and Federal authority reinstated, all Federal standards, including any standards promulgated or modified during the 18(e) period, would be Federally enforceable in that State.

(d) As required by section 18(f) of the Act, OSHA will continue to monitor the operations of the North Carolina State program to assure that the provisions of the State plan are substantially complied with and that the program remains at least as effective as the Federal program. Failure by the State to comply with its obligations may result in the revocation of the final approval determination under section 18(e), resumption of Federal enforcement, and/or proceedings for withdrawal of plan approval.

§ 1952.157 Changes to approved plan.

(a) *Legislation.* (1) On March 29, 1994, the Assistant Secretary approved North Carolina's revised statutory penalty levels which are the same as the revised Federal penalty levels contained in section 17 of the Act as amended on November 5, 1990.

(2) [Reserved]

(b) *The Voluntary Protection Program.* On June 24, 1994, the Assistant Secretary approved North Carolina's plan supplement, which is generally identical to the Federal STAR Voluntary Protection Program. Subpart J—Iowa

§ 1952.160 Description of the plan as initially approved.

(a)(1) The plan identifies the Bureau of Labor as the State agency designated to administer the plan throughout the State. Its responsibilities include both occupational safety and occupational health, the latter on a developmental basis. The plan defines the covered occupational safety and health issues as defined by the Secretary of Labor in 29 CFR 1902.2(c)(i). Under existing occupational safety and health legislation, effective July 1, 1972, Iowa has adopted as interim standards all the occupational safety and health standards and amendments thereto which had been promulgated by the Secretary of Labor, except those
